

Dear Parents/Guardians:

Welcome to the 2018-2019 school year! We hope you and your family had a well-rested and safe summer. We are so excited to team up with you for your child's educational success during their last year here at P.S 147. Could you believe, 5<sup>th</sup> grade? Where has the time gone?

This year's curriculum is going to be more rigorous than the other grades before. We know they can accomplish it, after all your child has shown educational excellence to get where he/she is right now. As your child's teachers, we expect your child to complete homework assignments that reinforce their skills in what was taught throughout the school day, read each night, log in their times, and hand in their assignments on due dates.

As for absences, we as teachers understand that life happens, and your child may be sick and/or have a doctor's appointment. We ask that your child please bring in a note excusing them from school. Excessive absences can affect your child's grade.

Breakfast is the most important meal of the day, and this is why P.S 147 provides a wonderful breakfast every morning to our students. **Breakfast starts at 7:15am**, so if you are rushing, let us provide your child with a healthy and nutritious meal in the morning. With their bellies full, your child will be fueled up for a fun filled morning of learning.

Lastly, in order to assist your child with their educational success this school year, we ask that you please provide the following supplies:

- 8 - marble composition notebooks
- 1 - pencil case/bag
- 1 - 1 ½ inch binder
- 1 - package binder dividers
- 2 - packages of (12 count) #2 pencils
- 1 - glue
- 7 - folders

The following items are asked to be donated to the classroom so we as a class can stay cleaner and healthier throughout the coming months. These items are as follows:

2 rolls of paper towels

1 container of disinfecting wipes (class 503)

1 container of baby wipes

2 boxes of facial tissues

Again, we would like to welcome you to a wonderful start of a new school year. Like every other year, we are going to accomplish academic success.

With warm regards,

5<sup>th</sup> grade teachers
