

Dear Parent or Guardian:

This week, you received a “Smile New York” dental form. Great News! Our school is partnering with Smile New York Outreach to offer *in-school dental care on Friday, November 16, 2018.*

**Forms are due by Friday, November 9, 2018.**

### **No Cost to You**

**Smile New York Outreach is pleased to offer dental care at no cost to you.**

**IMPORTANT** - Parents are asked to provide insurance information if they have it because we are required to submit services to insurance providers. However, parents will never receive a follow up bill or request for any payment from Smile NY. All children are seen, even if they don't have insurance.

### **Services Provided**

Each child seen by the dentist will have a cleaning, exam, x-rays, fluoride treatment and sealants on permanent molars (if needed).

For parents whose children need simple fillings, Smile New York Outreach **will call you** to confirm that you would like the dental team to come back and complete fillings at the school. Please be sure to answer their call.

All students will be given an oral health report card to bring home and a FREE toothbrush.

### **Easy & Convenient**

Having your child seen by the in-school dentist saves you valuable time. Top quality care is provided by local, New York licensed dentists right in the familiar surroundings of your child's school.

**\*\*Once your child has returned a consent, it is good for as long as your child attends this school.\*\***

### **Keep Your Child Healthy**

By having your child see the in-school dentist, you can help reduce the risk of:

-  Pain and Suffering
-  Absence from School
-  Unnecessary Loss of Teeth
-  Impaired Speech Development

**Go to [www.myschooldentist.com](http://www.myschooldentist.com) and fill out a permission form TODAY.**

**Or complete the permission form and return it to your school.**
