

# NOVEMBER

Dear Families of PreK 258,  
Autumn is finally here and we are having a great time exploring the beautiful colors of the season. Our last unit had us exploring the senses and it prepared us to enjoy the world around us. The next study will have us exploring All About Us. Our preschoolers will learn about their peers and themselves. We will discuss our feelings and what makes our class and family unique. It is a great time to make sure that your family picture is in our classroom to allow discussions. We want to thank our families for all of your cooperation and making the beginning of the school year an easy transition for your child. Greatly appreciated!

## Dates to Remember

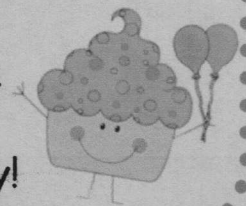

- 11/6-Election Day-Schools Closed
- 11/9-P.S.147 Day-Wear P.S.147 gear

Schools Closed
- 11/28-Parents in the Classroom@8:15am
- 11/28-PTA Meeting@9am

The weather is changing and we want to remind you that your child should be dressed for the weather. We go outdoors everyday and we want to make sure that the children are prepared. As we work on creating independence, we want to support our class by having the children take care of their needs at arrival. Let's encourage these skills.

## Birthdays

Ethan 11/3  
Naomi 11/24

Happy Birthday!

Please have your child bring us any leaves so that we can look at them on our light table, count them, see them under the magnifying glass or do some leaf rubbings. We would love to have some leaves of different colors.
