Ms. Hernandez & Miss. Marisol

We are excited to begin our next unit of study: My Five Senses. Pre-K children naturally use their senses to explore the world around them. In our pre-K program your child will have the opportunity to develop a wide variety of skills by using his/her senses in hands on learning and play. In this unit we are working on developing children's abilities to take in information about the world through sight, hearing, smell, taste and touch. We will take walks around the neighborhood, go on "touch" scavenger hunts and engage in many other activities where children use their senses. Children are active learners; they have been exploring their environment through their senses since birth. We encourage the children to see themselves as scientists and to make observations and predictions using the information that they take in through their senses.

Fun Recipes

Get creative with Make-Your-Own JELL-O® Monsters with colorful ingredients like gummy worms, candy corn, marshmallows and more. Your little monsters will love these JELL-O® monsters.

What You Need

- 2-1/2 cups boiling water
- 4 pkg. (3 oz. each) JELL-O Orange Flavor Gelatin
- suggested decorations (JET-PUFFED Miniature Marshmallows, candy-coated chocolate pieces, gummy worms, candy corn candies, blueberries and halved seedless grapes)

Make It

- Add boiling water to gelatin mixes in large bowl. Stir 3 min. until completely dissolved
 - Pour into 13x9-inch pan sprayed with cooking spray.
 - Refrigerate 4 hours or until firm.
 - Use 2-1/2-inch round cookie cutter to cut gelatin into 12 rounds. Reserve scraps for another use
- Decorate with remaining ingredients as desired to resemble monsters
